

Double Gun Automatic CO2 Welding Machine Gas Shielded Customized

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Jin Hongxiang
- Model Number: JLH
- Minimum Order Quantity: 1 set
- Price: \$7,999.00/sets 1-1 sets
- Packaging Details: Export wooden case
- Delivery Time: 5-10 days or negotiation
- Supply Ability: 100 Set/Sets per Month

Product Specification

- Machine Type: Automatic Gas Shielded Welding
- Core Components: PLC Programming, Touch Screen Display
- Key Selling Points: Exquisite Design, Precise Processing,
- Weight (KG): 200
- Voltage: 380V
- Usage: Spot Welding Or Pull Welding
- Feature: Fully Automatic
- Advantage: High Speed Stability
- Highlight: **Double Gun Automatic CO2 Welding Machine, Customized Automatic CO2 Welding Machine**

Product Description

CO2 gas shielded automatic welding machine

This machine is a double gun automatic welding machine. The welding power is CO2 welding machine.

Two corners of the box are welded at the same time

CO2 gas shielded automatic welding machine is generally customized according to the customer's product needs. CO2 electric welding machine is used as the welding power source, PLC+display screen programming control, with the circuit system+product tooling to meet the requirements of automatic welding machine.

The welding can be completed automatically after the welding requirements and welding effects are set according to the product. It is stable and will not change. It can achieve perfect welding without skilled professional welders.

Application

Independent R & D and production, focusing on welding and forming equipment for more than 20 years. It is exported to the world, and there are sales companies in Vietnam. It has accumulated tens of thousands of customers.

FAQ

Q: What is your normal lead time?

A: If there is stock, our company usually receives the payment for goods and delivers them within a week. If it needs to be customized, the delivery cycle is usually 3-4 weeks after receiving the deposit.

Q: What are your terms of payment?

A: We accept TT.

Q: What kind of packing do you offer?

A: Packaging is usually installed for the export of plywood boxes.

Q: What is the minimum order quantity you can produce?

A: Usually we have them in stock, and the minimum order is 1 set.

Q: How to control product quality?

A: We always attach great importance to product quality. Before leaving the factory, it will be fully aged and debugged. And we always adhere to the principle of "providing customers with better quality, better price and better service."
